Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative was informed that the instant application is in condition of allowance. However, since there are so many related cases and it is very easy for the Examiner to miss an issue, the applicant representative was asked to disclose any application or recent patent with claims which affect the patentability of the claims in the instant application, as set forth in 37 CFR 1.56. Applicant's representative informed the Examiner that there is no application or recent patent with claims that affect the patentability of the claims in the instant invention..
